

GRAFFITI REMOVERS & COMMERCIAL CLEANERS

**ENVIRONMENTALLY FRIENDLY
BIODEGRADABLE**

**PVC ENVIRO GRAFFITI REMOVER FOR PLASTIC AND SENSITIVE SURFACES****PRODUCT DESCRIPTION:**

Trivcor Enviro PVC™ Graffiti Remover is an environmentally friendly, biodegradable graffiti remover designed to dissolve spray paint, marker, pen, pencil, ink or glue. It is 100% water neutralized (neutralized with water) and is safe for use near water ways, rivers, canals or reservoirs.

Trivcor Enviro graffiti remover has a mild citrus smell although it is not citrus based. *Trivcor Enviro PVC™ graffiti remover is specifically designed to remove graffiti from plastic surfaces such as plexi-glass, protective films, seat covers or sensitive surfaces. PVC™ was specifically designed to remove graffiti from reflective road signs without damaging the surface.*

MIXING

DO NOT DILUTE. Trivcor Environmental Graffiti Remover is 100% biodegradable and neutralized in water. Water will neutralize the Enviro Graffiti remover making it ineffective. Once graffiti removal is complete, the surface should be thoroughly washed down with water to neutralize any remaining active product.

COVERAGE

Coverage of the remover will vary depending on how heavy the graffiti is painted on the surface. Multiple applications may be required to completely remove graffiti. Allowing proper dwell times will maximize the coverage of the remover.

STORAGE AND HANDLING

Trivcor PVC™ Graffiti Remover is Non-Hazardous.

Shipping Information: 472 ml (16 oz) pump sprayer
 12 units per case
 Approximate Shipping Weight: 20 lbs
